

FEED YOUR MIND

Offers Consumers...

A healthy alternative to high calorie, high fat snacks and beverages traditional vending machines offer.

*Educational, Fun Entertainment while reducing the boredom and anxiety of long and often unexpected wait times or... just because it's hard resist the **FEED YOUR MIND** temptation!*

Breaking Tradition

*With Puzzles, Games, Novels, Cards, Self Improvement Books, healthy, Snacks and more to select from **FEED YOUR MIND** offers consumers a variety of nutritious foods and educational entertaining products.*

A Simple Fact of everyday life

We often find ourselves having to wait at Airports, Bus and Ferry Terminals, Banks, Subways, Doctor's and Dentist's offices, Hospitals, Courthouses, Hotels, Auto Repair Shops and more. The more we wait, the more we grow bored and even impatient, FEED YOUR MIND offers a perfect escape.

Best Sellers, Classics and more

Choose from New and Gently Used Books

“We love the Concept”

Some of the feedback about our program...

“What a brilliant idea”

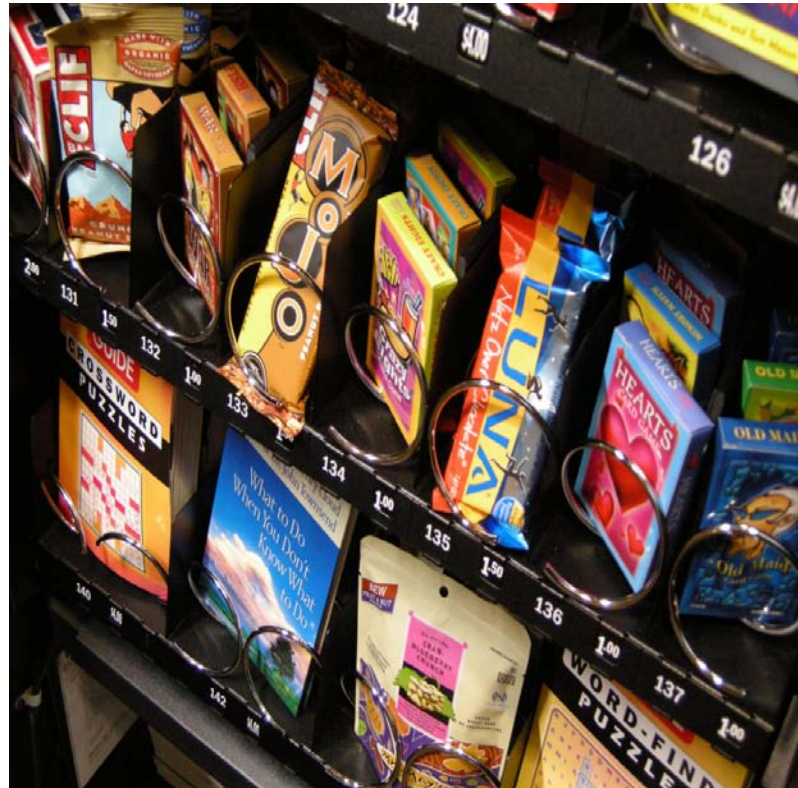

“We’ve been looking for something like this”

“The fact that I can get something good for me from a vending machine is great”

“It feeds a need”

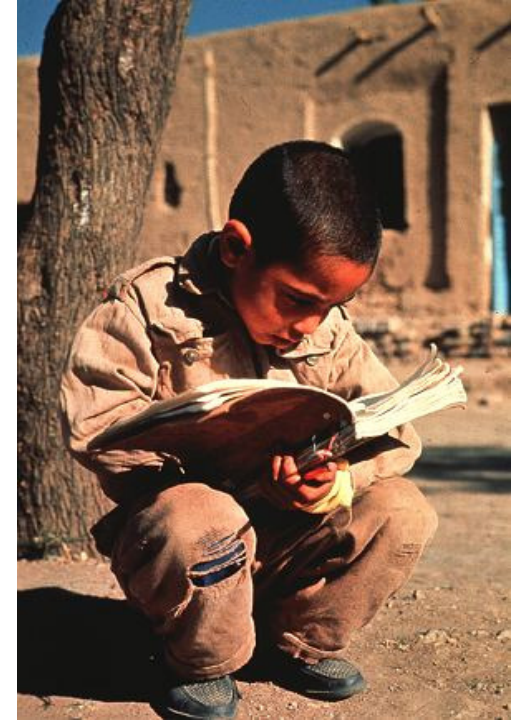

Something for Everyone...

*Where heavy customer traffic and long wait times exist impulse buying is always higher. **FEED YOUR MIND** allows Consumers to feel as though they are doing something good for themselves and their families with every purchase.*

.....even the youngsters!

We will tailor product mix to location Audience
